## Get Ready for DeMolay Month!

Our state officers have got a jam-packed month planned for you. There will be events all over the state to participate in, and it is an **IDEAL** time to get new candidates on board. Remember, we are very high in the running for national honors for membership increases, so **EVERYONE** do your part!

The note below tells everyone what a great start we are off to, and we have more to come. March 8<sup>th</sup> will see us kick off another fun and frantic Dodge ball tournament in Guthrie. Registration is \$10 per person, and this includes the tournament and dance and food that follows. If you can just make it to the dance, it is \$3. The proceeds will go to the Shriners Burn Hospital, so do your part to support the cause.

Looking further out into the future, the wrap up for the month will be held on April 19-20 with another lock-in at the India Shrine Center and Siloam Lodge in OKC. Another competition of Halo 3, but this time we will go all out and have a ROCK BAND competition (did I ever tell you I played drums and was lead singer in a rock band in high school??? See picture to right for artistic rendering of my performance). This should be a blast.

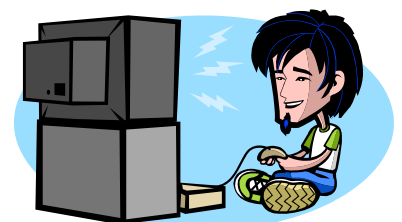

The Frank Marshall tournament is also this month, an appropriate event to be held in such a honored month. The Rainbows and DeMolays of Oklahoma will trek down to Arlington, Texas on 28 March to claim their rightful place as ritual champions.

If you are planning an event during the month of March, **MAKE SURE** you get it included on the ODA calendar so everyone will know.

## Month Activities Kicked off with Lock-in

Okay, so it was a little bit early, but that just shows how excited everyone is for DeMolay Month.

Jenks Lodge and Highland Park hosted a kickoff lock-in on the weekend of 23 February. There was a great turnout, with 50 people attending, including four state officers and 8 chapters represented! Everyone enjoyed the great spaghetti dinner (hey, Paisan! Whatsamattayou?) followed by, of course, Guitar Hero and Halo 3. Good thing I wasn't there, because I would have been yelling "Go to bed ! ! It's past my bedtime!"... starting at around 9:00... Anyhoo, the adrenaline going from the crazy guitar riffs and laser blasting ensured

that sleep was not on the minds of the participants.

Jenks lodge is to be thanked for hosting the event and Edmond Chapter for being the electronic wizards, providing all the hardware for the games. Also to the state officers and Mom Rudebock for dinner. Thanks guys (and Moms!).

## PICTURES FROM FEBRUARY LOCK-IN

Come on, admit it. If you were hanging out with two beautiful young ladies like this, you would have a goofy look on your face too!!

Foosball !! Even the old codger advisors can kick some butt in this game...

No money was lost in the performance of this lock-in function... really, we mean it... honest...

We said "NO SLEEPING !!!"
