DeMolay Month wrap-up a success

There were plenty of activities to keep everyone busy this past DeMolay month. Between lock-ins and dodgeball tournaments, there was something for everyone!

The dodgeball tournament has become a successful replacement for the basketball tournament that has been played for years. Everyone, even the Jobbies and Rainbows, can get their shots in at a dodgeball tournament. I guess most of the welts and bruises from the hard shots have disappeared by now.

The lock-ins were loads of fun also. We are starting to get a bunch of very talented "virtual musicians" as their skills in Guitar Hero and Rock Band develop. Great job to all of those who participated.

Spring has Sprung!

It sure is nice to have a little warm weather these days...except that it tends to lend itself to "spring fever" (lots of staring out the window and daydreaming), Spring is a time of renewal, a time to recharge the batteries and get going!

We can do that in DeMolay also. With spring upon us, it is time to think about how you can get your chapters going- membership and fundraisers being two areas we can all hit hard.

Think about sponsoring a softball game, or do like Del City or Stillwater chapters have done (and I am sure many others) - take some prospects to a Red Hawks game at Bricktown. How about a paintball tournament or a trip to the lake?

Spring is a great time for fundraisers too. How about a car wash? Just a little soap and some elbow-grease and you can have a couple hundred dollars to pay for those Conclave registrations.

If you look at the calendar of events for May, you will see that things are still busy, even with all the high school and college graduations this month. Stay involved during the summer... in fact, get MORE involved and help make DeMolay better.

Oklahoma Advisors visit the hallowed halls of DeMolay headquarters

Some of the Oklahoma DeMolay leadership went to Kansas City this past month to attend a conference on recruiting and membership. Dads Fletcher, Epperly, Branson and Johns attended the weekend-long conference and brought back a lot of good information that they will be disseminating throughout the state.

Any Duffers Out There?

Okay, now is the chance for you young DeMolays to show up the "old codgers" by taking them on in a golf tournament. The GM is sponsoring a tournament (see last page) that should be a lot of fun. And... the good news is, I won't be playing, otherwise you would be required to wear a hard hat and protective clothing to keep from being injured on the course (my golf swing has been registered as a lethal weapon!!)

Input, Please

As we approach the end of another school year, we would like to recognize those DeMolays who are graduating. If you will send me their names, high school attended and future plans, we will publish in the June issue. But, *I NEED YOUR INPUT.*

PICTURES FROM April 21, 2008

Del City guys enjoy a day at the ball park, watching Red Hawks play.
